

Dear Examiners,

After obtaining information that TDLR will be requiring license holders to obtain the required continuing education hours in order to obtain a 2021 license if their current license expires between July 1, 2020- December 31,2020, we have decided to hold a "Social Distancing" One Day Training Meeting. We have been able to secure a 6 hour block of training for our members and invited (approved) guests. FACE COVERINGS/MASKS will be REQUIRED to attend.

TAPE will be sponsoring this one day training on Saturday, November 7, 2020 at the City of Cleburne Conference Center. The Conference Center is located at: 1501 W. Henderson Street; Cleburne, TX 76033.

We have rented the Exhibit Hall which normally seats 700 people, but due to 50% occupancy Covid-19 restrictions, now 350. My hope is that everyone will be able to have their own table in order to provide the safest measures possible.

The fee to attend this training will be \$125 and YOU MUST PRE-REGISTER to attend.

A boxed lunch will be provided. If you have diet restrictions, please email me if you plan to attend. I am currently trying to secure local hotel rooms for Friday, November 6, 2020- Saturday, November 7th for those that will be traveling from out of the area and wish to spend the night or weekend.

Our speaker is Mr. Kyle Stewart and he will be presenting on the threat group, Incels and this course was previously approved by TDLR during February 2020.

Please download the [TAPE REGISTRATION](#) form and bring it with you

Please spread the word and we hope to see you there!
